## SUMMARY

The inspection of Grow Company Inc., a bulk dietary supplement manufacturer, was conducted pursuant to NWJ-DO FY'05 work plan, FACTS Assignment #522213, OP ID #2397016. Inspectional guidance was provided through CP7321.008 (Dietary Supplements-Imports and Domestic).

The previous inspection was conducted on 4/12, 15/02 and was classified NAI.

The current inspection covered the Manufacturing Operation and the Laboratory. No GMP deficiencies were noted. The firm does not use BSE related raw materials in the manufacturing of products. No samples were collected or labels reviewed since the firm does not manufacture finished product. No FDA 483, Inspectional Observations, was issued at the conclusion of the inspection. The firm is registered pursuant to the requirements of the Bio-terrorism Preparedness and Response Act of 2002.
